Description of Service/Program

Financial Aid services will present to nontraditional students over lunch provided by the Student Involvement and Leadership Center. This presentation will include FASFA renewal skills and steps to complete, an overview of service, grants, scholarships, loans, etc. available to nontraditional students. This will also provide a platform and uninterrupted time to ask questions and receive answers about financial aid processes and services directly relevant to non-traditional students. Students will also gain a contact within the Financial Aid office and will receive paperwork and reasonable instructions for completing processes to apply for grants, loans, and scholarships made available to them. Payment options, loan rates, and several other topics of the like will be explored and discussed during this time.

Timeline/frequency: March of 2018

Population/Sample: Students who attend Nontraditional Student Services Lunch-n-Learn in March, 2018 (specific date TBD).

Special challenges to this assessment: This is the first time we are assessing this event. Paper copies will be distributed to all attendees which will hopefully make for a higher success response rate but due to nontraditional student schedule we may see students leave earlier than the event end time thus giving us an incomplete look at the information we will receive.

Use to inform current practice: The results will help us edit and update the program.

Plans for reporting results: Annual report, which will be shared with our Student Involvement and Leadership Center staff and Student Affairs.
