JAYHAWK VALUES

The community at the University of Kansas, rooted in integrity, is a body of scholars, educators, and engaged minds devoted to learning, scholarship, and creative endeavor.

As Jayhawks, we are committed to a set of core values.

As Jayhawks...

We will actively foster **unity**. A community based in tradition and continually growing through healthy relationships and effective communication.

We will strive for **innovation**, using our education to find new and creative solutions to the problems facing our campus, our community, and the world.

We will advocate for **inclusion**, respecting all Jayhawks are unique and have their own personal stories while cultivating a safe community rooted in equity and justice.

We will value **engagement**, taking responsibility inside and outside of the classroom to be active members of the global community.
