Transportation & Books

Parking Permits: Annual parking permits are valid Aug. 1 - July 31. Students must be enrolled to purchase a parking permit and all permits are purchased online. The car's license plate is its permit. All cars parked on campus need a permit. Parking in the residential parking lots is open on the weekends for visitors.

KU On Wheels: The KU bus system is free for students and they only need to show their KU Card (KUID) to ride a city bus for free. Buses generally run from 7 a.m. until 10 p.m. JayLift is the on-campus para-transit service.

KU Bookstore: The bookstore is the place to buy/rent textbooks, utilize on-campus printing services, have computers repaired at the tech shop, and purchase school supplies, clothes, and other KU accessories. They offer an online store and an off-campus location in west Lawrence.

Other Student Services

Campus Cupboard: The Campus Cupboard is the KU Food Pantry located on the 4th floor of the Kansas Union. There is no charge to use the pantry. The Cupboard is a great place to volunteer and welcomes donations.

Finals Survival Kits: Each semester, KU Endowment Association (KUEA) sells Finals Survival Kits to parents. The kit is filled with snacks, goodies, and KU swag with proceeds from the sales used to support the Campus Cupboard and student emergency finding needs.

Delegate Access: Your student may grant you access to some of their education records as well as their financial account at KU. Some of the information the student can give you access to include their schedule, grades, financials, and financial aid.

Recycling/Sustainability: The Center for Sustainability runs the campus recycling program. KU recycles Paper, Cardboard, Plastics #1-7, with the exception of Styrofoam, aluminum, tin and steel cans, Glass bottles and jars. The dining services compost their leftover food waste, too.

Office of Fellowships: The Office of Fellowships guides students through the process of applying for national scholarships and other competitive awards. A resource for students and faculty across campus, we strive to advance students as scholars, professionals, and individuals.
